

🚩 BIRTHDAY PARTY Information 🚩

We have created this sheet to insure that you, your children, and their guests have an incredible birthday experience at Grand Prix Greensboro. We work hard to provide a safe, exciting racing experience and provide the best customer service possible. This information will help you to understand the process involved in racing at Grand Prix Greensboro and how we schedule races on the track.

Junior birthday parties are for:

- Ages 8 – 15
- 48 to 70 inches tall
- 160 pounds or less
- Six kids minimum (12 kids for a one-race party)

WE PROVIDE THE FOLLOWING:

Table Cloths for tables!

Plates, Napkins, Forks!

We provide the first pizza for free!

We provide each child with a free fountain drink!

Birthday child can use the b-day race on the membership for a second race free!

The birthday child gets a free t-shirt.

Safety Briefing on how to race the karts

Computerized printouts of all their individual racing results.

6 junior racer minimum for the two or three race parties. We can accommodate 8 racers on the track at a time. More than 8 racers mean two heats for the party to get each racer on the track one time.

The **first pizza is free** and **each additional pizza is \$12** for a large one topping.

Race Package Options: (Minimum party is \$180)

A: One race (8 minutes) is \$15 per junior – 12 or more.

B: Two races is \$30 per junior – 6 or more.

C: Three races is \$44 per junior – 6 or more.

The process:

Arrive at Grand Prix Greensboro 15 minutes before your scheduled party time. Check in with the front counter hospitality staff and insure that **all the waivers are completed and turned in** for each racer.

The parents of each invited kid must complete and sign both sides of the Parental Consent Waiver in order for them to participate. Please do not ask us to make exceptions to this policy. It is a requirement of our insurance carrier, and we cannot deviate.

At the time of your party our staff will direct you to one of the designated party rooms. You will have exclusive use of this room for your party. The time allotted will depend on the package you choose and will not be less than one hour.

Please understand that we will attempt to accommodate your party if the participants are late, however it makes it more difficult for us in planning heats around our walk-in customers, and it can take longer to be seated to race. **Please urge the parents to have the kids here on time!**

Gather all the birthday party racers at the counter for entry into the computer. The group will proceed to track briefing room for the rules briefing and junior kart-racing test – unless your party is eating first.

After passing the test each racer gets a headsock and proceeds to the helmet room for a helmet and neck brace.

Once helmets and neck braces are fitted, racers proceed to the pit lane fence area and wait for a track marshal to seat the birthday racers.

We can accommodate 8 kids on the track at a time. If you have more than 8 children in the party, please understand that we will split the group into two heats of racers and run two heat races for the group. Split parties will take longer to complete.

We will encourage your party to decide at booking time if you wish to race first & then eat - or eat first before racing. This will help your party run smoother.

Once the race heat has been completed, remember to stop by the counter top up front to pick up all of the racer's lap sheets so that they can compare lap times.

Remember to help us by communicating when your party will be ready to go out on the track. A fifteen-minute advance usually gives us enough time to schedule a heat and insure that the party is not waiting on the fence for a longer period of time. Once you know you are fifteen minutes away from your races, inform the front hospitality staff and they will schedule a heat in the computer for your party. If you are eating before racing, we will need about 30 minutes to finish the briefing and equipment fitting processes, so please factor this into your conversations with our staff.

5 minutes before your heat, you will want to have the racers out in the pit to be seated for the race and fitted for the karts. This will help insure our ability to provide efficient service to all of our customers.

Thank you for booking a party at Grand Prix Greensboro. A racing experience is a thrilling event for children and can create the spark in future champions.

If you have any questions please ask us before and during your event. Also please provide us with your feedback on your event so that we can maintain an incredible experience for all of our racers.

To reserve a party, a full deposit is required. The deposit is non-refundable but is transferable if you need to reschedule. A 24 hour notice in advance of your party date is needed to reschedule and retain your deposit.
